FOR IMMEDIATE RELEASE

Travelzoo Announces Management Changes in Local & Search

NEW YORK, April 10, 2014 – Travelzoo Inc. (NASDAQ: TZOO), a global Internet media company, announced today it is making management changes within its Local and Search businesses.

Mark Webb, president of Travelzoo Local, is leaving the company on May 1, 2014. Michael Stitt will assume leadership of the company's Local business in North America. Mr. Stitt joined Travelzoo in 2004 and launched Travelzoo Local in 2010. In Europe, Travelzoo Local will report to the respective country manager in each market.

Travelzoo also appointed David White to lead Travelzoo's Search business. Mr. White joins Travelzoo from Yahoo!, where he served as senior director of product operations. Prior to his position at Yahoo!, he developed and ran Efficient Frontier's European business. Mr. White holds a Bachelor of Science degree in Electrical Engineering and Computer Science from the University of California at Berkeley.

The management changes are made in response to the continued weakness in the company's local voucher sales and declining search revenues.
