**PROXY STATEMENT
FOR THE TRAVELZOO INC.
2008 ANNUAL MEETING OF STOCKHOLDERS**

Why am I receiving these proxy materials?

Travelzoo's Board of Directors is soliciting proxies to be voted at the 2008 Annual Meeting of Stockholders. This proxy statement includes information about the issues to be voted upon at the meeting.

On or about May 10, 2008, we intend to mail these proxy materials to all stockholders of record at the close of business on April 28, 2008. On the record date, there were 14,250,479 shares of our common stock outstanding.

Where and when is the Annual Meeting?

The Annual Meeting of Stockholders will take place on June 3, 2008 at 590 Madison Avenue, 21st Floor, New York, New York 10022. The meeting will begin at 10:00 a.m. local time.

What am I voting on?

We are asking our stockholders to elect five directors.

How many votes do I have?

You have one vote for each share of our common stock that you owned at the close of business on April 28, 2008, the record date. These shares include:

- Shares held directly in your name as the "stockholder of record" and
- Shares held for you as the beneficial owner through a broker, bank, or other nominee in "street name."

If I am a stockholder of record, how can I vote my shares?

You can vote by proxy or in person.

How do I vote by proxy?

If you are a stockholder of record, you may vote your proxy by mail. If you receive a paper copy of the Proxy Statement, simply mark the enclosed proxy card, date and sign it, and return it in the postage paid envelope provided. If you receive the Proxy Statement via e-mail, please print the attached proxy card, date and sign it, and return it via mail to Travelzoo Inc., Attention: Corporate Secretary, 590 Madison Avenue, 37th Floor, New York, New York 10022.

If you vote by proxy, the persons named on the card (your "proxies") will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for director or any other proposals properly brought before the Annual Meeting. If you sign your proxy card and do not indicate specific choices, your shares will be voted "FOR" the election of all nominees for director. If any other matter is properly brought before the meeting, your proxies will vote in accordance with their best judgment. At the time of submitting this Proxy Statement for printing, we knew of no matter that is required to be acted on at the Annual Meeting other than those discussed in this Proxy Statement.

If you wish to give a proxy to someone other than the persons named on the enclosed proxy card, you may strike out the names appearing on the card and write in the name of any other person, sign the proxy, and deliver it to the person whose name has been substituted.

May I revoke my proxy?

If you give a proxy, you may revoke it in any one of three ways:

- Submit a valid, later-dated proxy before the Annual Meeting,
-

[Table of Contents](#)

- Notify our Corporate Secretary in writing before the Annual Meeting that you have revoked your proxy, or
- Vote in person at the Annual Meeting.

How do I vote in person?

If you are a stockholder of record, you may cast your vote in person at the Annual Meeting.

If I hold shares in street name, how can I vote my shares?

You can submit voting instructions to your broker or nominee. In most instances, you will be able to do this over the Internet or by mail. Please refer to the voting instruction card included in the materials provided by your broker or nominee.

What vote is required to approve each proposal?

Each share of our common stock is entitled to one vote with respect to each matter on which it is entitled to vote. Our directors are elected by a plurality of votes, which means that the nominees who receive the greatest number of votes will be elected. Under our bylaws, a majority of the shares present at the meeting in person or by proxy is required for approval of all other items.

In order to have a valid stockholder vote, a stockholder quorum must exist at the Annual Meeting. A quorum will exist when stockholders holding a majority of the outstanding shares of our stock are present at the meeting, either in person or by proxy.

If a broker indicates on its proxy that it does not have authority to vote certain shares held in "street name" on particular proposals, the shares not voted ("broker non-votes") will not have any effect with respect to such proposals. Broker non-votes occur when brokers do not have discretionary voting authority on certain proposals and the beneficial owner has not instructed the broker how to vote on these proposals.

Ralph Bartel holds an aggregate of 7,741,375 shares of our common stock, representing approximately 54.3% of the outstanding shares as of March 31, 2008. He has indicated that he intends to vote in favor of all of the director nominees.

Who is paying the costs of soliciting these proxies?

We are paying the cost of preparing, printing, mailing and otherwise distributing these proxy materials. We will reimburse banks, brokerage firms, and others for their reasonable expenses in forwarding proxy materials to beneficial owners and obtaining their instructions. A few of our officers and employees may also participate in the solicitation, without additional compensation, by telephone, e-mail, other electronic means, or in person.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the meeting. We will publish the final results in our Quarterly Report on Form 10-Q for the second quarter of 2008, which we intend to file on or before August 11, 2008. You can obtain a copy of the Form 10-Q by logging on to Travelzoo's investor relations Web site at www.travelzoo.com/ir, by calling the Securities and Exchange Commission at (800) SEC-0330 for the location of the nearest public reference room, or through the EDGAR system at www.sec.gov. Information on our Web site does not constitute part of this proxy statement.

Mr. Holger Bartel	Member			
Mr. Ehrlich	Member	Chair		
Mr. Neale-May	Member	Member		Member

Number of 2007 Meetings	4	5	3	4

The Company does not require that directors attend the Annual Meeting. None of the directors attended the 2007 Annual Meeting.

Audit Committee

The Audit Committee's primary responsibilities are to oversee and monitor (i) the integrity of Travelzoo's financial statements, (ii) the qualifications and independence of our independent registered public accounting firm, (iii) the performance of our independent registered public accounting firm and internal audit staff, and (iv) the compliance by Travelzoo with legal and regulatory requirements. A complete description of the committee's responsibilities is set forth in its written charter, a copy of which is attached as Appendix A. The Audit Committee is responsible for appointing the independent registered public accounting firm and is directly responsible for the compensation and oversight of the work of our independent registered public accounting firm. The Audit Committee is composed solely of independent directors as defined in the listing standards of the NASDAQ. The Board has determined that Mr. Neale-May qualifies as an audit committee financial expert within the definition of SEC regulations.

Compensation Committee

The Compensation Committee reviews and approves the compensation and benefits for the Company's executive officers and directors, and makes recommendations to the Board of Directors regarding such matters. The Compensation Committee also approves the Company's non-equity incentive plans. The Compensation Committee further reviews and discusses with management the Compensation Discussion and Analysis section of this Proxy Statement. The Compensation Committee does not have a charter. The Report of the Compensation Committee is included on page 12.

Disclosure Committee

The Disclosure Committee's primary responsibilities are (i) to design, establish and evaluate controls and other procedures that are designed to ensure the accuracy and timely disclosure of information to the SEC and investment community and (ii) to review and supervise preparation of all SEC filings, press releases and other broadly disseminated correspondence.

Nominating Committee

Travelzoo does not have a nominating committee of the Board of Directors. Since it is a "Controlled Company" under Rule 4350-4 of the NASDAQ Manual, on account of the stock ownership by Ralph Bartel, such a committee is not required. Through his share ownership, Mr. Ralph Bartel is in a position to control Travelzoo and to elect our entire Board of Directors. Mr. Ralph Bartel considers candidates for director nominees.

Communications With Directors

The board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the board, or the non-management directors as a group, any board committee or any chair of any such committee by mail. To communicate with the board of directors, any individual directors or any group or committee of directors, correspondence should be addressed to the board of directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent "c/o Corporate Secretary" at Travelzoo Inc., 590 Madison Avenue, 37th Floor, New York, NY 10022.

All communications received as set forth in the preceding paragraph will be opened by the Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the board of directors will be forwarded promptly to the addressee. In the case of communications to the board or any group or committee of directors, the Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the correspondence is addressed.

Audit Committee Report

The information contained in this report shall not be deemed to be "soliciting material" or "filed" with the SEC or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent that Travelzoo specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act.

The Audit Committee oversees Travelzoo's financial reporting process on behalf of the Board of Directors. Management is primarily responsible for the financial statements and reporting processes including the systems of internal controls, while the independent auditors are responsible for performing an independent audit of Travelzoo's consolidated financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board ("PCAOB"), and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

In this context, the committee has met and held discussions with management and the independent auditors regarding the Company's audited consolidated financial statements. The committee discussed with Travelzoo's

Table of Contents

independent auditors the overall scope and plan for their audit. The committee met, at least quarterly, with the independent auditors, with and without management present, and discussed the results of their examinations, their evaluations of Travelzoo's internal controls, and the overall quality of Travelzoo's financial reporting. Management represented to the committee that Travelzoo's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The committee has reviewed and discussed the consolidated financial statements with management and the independent auditors, including their judgments as to the quality, not just the acceptability, of Travelzoo's accounting principles and such other matters as are required to be discussed with the committee under auditing standards of the PCAOB.

Travelzoo's independent auditors also provided to the committee the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the committee discussed with the independent auditors that firm's independence, including those matters required to be discussed by Statement on Auditing Standards No. 61.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board of Directors (and the Board of Directors has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2007 for filing with the SEC. The committee has not yet selected Travelzoo's independent auditors for fiscal year 2008.

While the committee has the responsibilities and powers set forth in its charter, it is not the duty of the committee to plan or conduct audits or to determine that Travelzoo's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the committee to conduct investigations or to assure compliance with laws and regulations and Travelzoo's business conduct policies.

Executive Compensation

Compensation Discussion and Analysis

Overview of Compensation Program

The following Compensation Discussion and Analysis, or "CD&A," describes our overall compensation philosophy and the primary components of our compensation program. Furthermore, the CD&A explains the process by which the Compensation Committee or "Committee" determined the 2007 compensation for our Chief

Executive Officer, Chief Financial Officer and other most highly compensated officers. We refer to these individuals collectively as the “named executives” or the “named executive officers.”

Compensation Philosophy and Objectives

The fundamental objectives of our executive compensation program are to attract and retain highly qualified executive officers, motivate these executive officers to materially contribute to our long-term business success, and align the interests of our executive officers and stockholders by rewarding our executives for individual and corporate performance based on targets established by the Committee.

We believe that achievement of these compensation program objectives enhances long-term profitability and stockholder value. The elements utilized to help achieve the Committee’s objectives include the following:

- *Accountability for Individual Performance.* Compensation should in large part depend on the named executive’s individual performance in order to motivate and acknowledge the key contributors to our success.
- *Recognition for Business Performance.* Compensation should take into consideration our overall financial performance and overall growth.
- *Attracting and Retaining Talented Executives.* Compensation should generally reflect the competitive marketplace and be designed to attract and retain superior employees in key competitive positions.

We implement our compensation philosophy through setting base salaries for our executive officers, through the use of our executive bonus plan and through reviewing and approving other terms of employment agreements.

Compensation Determination Process

Compensation Committee Members. The Committee is responsible for establishing, overseeing and reviewing executive compensation policies and for approving, validating and benchmarking the compensation and benefits for named executive officers. The Committee is also responsible for determining the fees paid to our outside directors. The Committee includes Mr. Ralph Bartel (Chair) and Ms. Kelly M. Urso. Ms. Urso satisfies the independence requirements of the NASDAQ. The Compensation Committee does not have a charter.

Role of Management. During 2007, the Committee engaged in its annual review of executive compensation with the goal of ensuring the appropriate combination of fixed and variable compensation linked to individual and corporate performance. In the course of its review, the Committee considered the advice and input of the Company’s CEO and data prepared by management, including a comparison of the current compensation of the named executive officers with publicly available industry data from The Wall Street Journal. The Wall Street Journal data utilized by the Committee included salary and total compensation information based on the title, job description, and geographic location of similarly situated executives. The most significant aspects of the CEO’s role in the compensation determination process are evaluating employee performance, establishing business performance targets, goals and objectives and recommending salary and bonus levels.

The Committee compared the compensation received by the Company’s named executive officers with the levels of compensation received by similarly situated executives in the same geographic location in light of the named executives’ responsibilities, performance, experience and tenure, in order to arrive at the total compensation package for each of the named executive officers. In some cases, the compensation package that the Committee awarded a named executive officer was at or below the median compensation received by executives per The Wall Street Journal data, while in other instances the compensation was higher due to the executive’s responsibilities, performance, experience and tenure.

Mr. Bartel did not participate in the determination of his compensation during 2007. The Committee did not engage an outside consulting firm to provide advice on executive compensation.

Components of Executive Compensation

The Committee has structured an executive compensation program comprised of base salary, cash bonus and non-equity incentive pay.

Base Salary. The Committee considered two types of potential base salary increases for the named executive officers in 2007: (1) “merit increases” based upon each named executive’s individual performance; and/or (2) “market adjustments” based upon the salary range for similarly situated executives.

In determining merit increases, the Committee considers the specific responsibilities of the executive and the executive’s overall performance and tenure with the Company. In addition, the Committee also considers the CEO’s evaluation of each named executive officer in making the decision regarding merit increases.

The Committee determines any market adjustments based on the Committee’s comparison of the executive’s compensation with statistical information on average compensation for similarly situated executives that is publicly available through The Wall Street Journal.

During 2007, the Committee increased the salaries of the named executive officers as follows:

- Ralph Bartel’s base salary increased from \$367,500 to \$382,200 effective July 1, 2007;
- Wayne Lee’s base salary increased from \$170,000 to \$200,000 effective February 1, 2007, increased from \$200,000 to \$208,000 effective July 1, 2007, and increased from \$208,000 to \$240,000 effective January 1, 2008; and
- Christopher Loughlin’s base salary increased from \$400,362 to \$416,377 effective July 1, 2007.

Mr. Ralph Bartel’s base salary is below the average base salary of chief executive officers working in New York City per The Wall Street Journal.

Executive Bonus Plan. We believe that the Executive Bonus Plan provides the Company with a valuable tool to assist in focusing executives on accomplishing operational and financial objectives over the Company’s quarterly periods. The plan is designed to reward the Company’s executives for achieving their quarterly targets as set per the Company’s operating budget.

On April 6, 2007 the Committee adopted the North America Executive Bonus Plan, as amended and restated effective as of January 1, 2007 and determined that Ms. Shirley Tafoya, and of the named executive officers, Mr. Ralph Bartel and Mr. Wayne Lee, would be eligible to participate in the North America Executive Bonus Plan. Ms Tafoya, Mr. Bartel and Mr. Lee are collectively referred to in this section as the “participating executives.”

Effective as of January 1, 2007, the participating executives were eligible to receive a bonus of \$50,000 per quarter upon the attainment of all of the following goals as set forth in the Company’s Annual Operating Budget:

- There are not more than two customers that account for 10% or more of the Company’s worldwide consolidated revenues for the quarter and no single customer accounts for more than 17% of the Company’s worldwide consolidated revenues for the quarter.

If one or more of the above targets were not met, the participating executives were eligible to receive a bonus of \$25,000 per quarter upon attainment of all of the following goals as set forth in the Company’s Annual Operating Budget:

- 98% of Revenue target;

Other Compensation-Related Matters

Perquisites and Additional Benefits. The Company seeks to maintain an open and inclusive culture in its facilities and operations among executives and other Company employees. Accordingly, the Company does not provide executives with reserved parking spaces or separate dining or other facilities, nor does the Company have programs for providing personal-benefit perquisites to executives, such as permanent lodging, club dues or defraying the cost of personal entertainment. Named executive officers and employees may seek reimbursement for business related expenses in accordance with our business expense reimbursement policy.

Employment Agreements. The Company has entered into employment agreements with the named executive officers, some of which contain severance and change of control provisions. The terms of such employment agreements are described in more detail below in *Employment Agreements and Potential Payments Upon Termination or Change-in-Control*. The Committee believes these agreements are appropriate for a number of reasons including the following:

- the agreements assist in attracting and retaining executives as we compete for talented employees in a marketplace where such agreements are commonly offered;
- the change in control provisions require terminated executives to execute a release in order to receive severance benefits; and
- the change in control and severance provisions help retain key personnel during rumored or actual acquisitions or similar corporate changes.

Certain Relationships and Related Party Transactions

The Company maintains policies and procedures to ensure that our directors, executive officers and employees avoid conflicts of interest. Our Chief Executive Officer, Chief Financial Officer and Controller are subject to our Code of Ethics and each signs the policy to ensure compliance. Our Code of Ethics requires our leadership to act with honesty and integrity, and to fully disclose to the Audit Committee any material transaction that reasonably could be expected to give rise to an actual or apparent conflict of interest. The Code of Ethics requires that our leadership obtain the prior written approval of the Audit Committee before proceeding with or engaging in any conflict of interest.

Our Audit Committee Charter further provides that the Audit Committee will review all related party transactions and potential conflict of interest situations involving the Company's principal stockholders, directors or senior management. Upon notice of a potential conflict of interest, the Audit Committee will evaluate the transaction to determine if it is in the Company's best interests and whether, in the Audit Committee's judgment, the terms of such transaction are at least as beneficial to us as the terms we could obtain in a similar transaction with an independent third party.

In 2007, there were no related party transactions exceeding \$120,000 between the Company and its directors, executive officers or principal stockholders.

Independent Public Accountants

KPMG LLP ("KPMG") served as Travelzoo's independent registered public accounting firm for our 2007 fiscal year. KPMG representatives are not expected to be present at the Annual Meeting or to make a formal statement. Consequently, representatives of KPMG will not be available to respond to questions at the meeting.

The Audit Committee has not yet selected our independent registered public accounting firm for our 2008 fiscal year. The Audit Committee annually reviews the performance of our independent registered public accounting firm and the fees charged for their services. This review has not yet been completed. Based upon the results of this review, the Audit Committee will determine which independent registered public accounting firm to engage to perform our annual audit. Stockholder approval of our accounting firm is not required by our bylaws or otherwise required to be submitted to the stockholders.

Principal Accountant Fees and Services

During fiscal year 2006 and 2007, KPMG charged fees for services rendered to Travelzoo as follows:

<u>Service</u>	<u>2006 Fees</u>	<u>2007 Fees</u>
Audit fees(1)	\$736,240	\$855,101
Audit-related fees	—	—
Tax fees	—	—
All other fees	—	—
Total	\$736,240	\$855,101

(1) Audit fees consisted of fees for professional services rendered for the annual audit of Company’s consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports and audit services rendered in connection with other statutory or regulatory filings.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee pre-approves all audit and permissible non-audit services provided by the Company’s independent registered public accounting firm. These services may include audit services, audit-related services, tax and other services. Pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. During 2006 and 2007, all services provided by KPMG were pre-approved by the Audit Committee in accordance with this policy

Voting

Under the Delaware General Corporation Law and our certificate of incorporation and bylaws, the presence, in person or represented by proxy, of the holders of a majority of the outstanding shares of our stock is necessary to constitute a quorum of stockholders to take action at the Annual Meeting. Once a quorum of stockholders is established, the affirmative vote of a plurality of the shares, which are present in person or represented by proxy at the Annual Meeting, is required to elect each director. The affirmative vote of a majority of the shares entitled to vote and present in person or by proxy in favor of any other matter properly brought before the Annual Meeting is required to approve of such action.

Shares represented by proxies which are marked “vote withheld” with respect to the election of any person to serve on the Board of Directors will not be considered in determining whether such a person has received the affirmative vote of a plurality of the shares. Shares represented by proxies that are marked “abstain” with respect to any other proposal will not be considered in determining whether such proposal has received the affirmative vote of a majority of the shares and such proxies will not have the effect of a “no” vote.

Shares represented by proxies which deny the proxy-holder discretionary authority to vote on any other proposal will not be considered in determining whether such proposal has received the affirmative vote of a majority of the shares and such proxies will not have the effect of a “no” vote.

We know of no matters to come before the Annual Meeting except as described in this Proxy Statement. If any other matters properly come before the Annual Meeting, the proxies solicited hereby will be voted on such matters in accordance with the judgment of the persons voting such proxies.

Stockholder Proposals for the 2009 Annual Meeting

Proposals of eligible stockholders intended to be presented at the 2009 Annual Meeting must be received by us by January 10, 2009 for inclusion in our proxy statement and proxy relating to that meeting. Upon receipt of any

Any such notice must be delivered or mailed to our Corporate Secretary, at Travelzoo Inc., 590 Madison Avenue, 37th Floor, New York, New York 10022. Any stockholder desiring a copy of our bylaws will be forwarded one upon written request.

We will bear the cost of solicitation of proxies. Proxies will be solicited by mail and also may be solicited by our executive officers and other employees personally or by telephone, but such persons will not be specifically compensated for such services. It is contemplated that brokerage houses, custodians, nominees and fiduciaries will be requested to forward the soliciting material to the beneficial owners of stock held of record by such persons and we will reimburse them for their reasonable expenses incurred in connection therewith.

Even if you plan to attend the meeting in person, please sign, date and return the enclosed proxy promptly in accordance with the instructions shown on the enclosed proxy. You have the power to revoke your proxy, at any time before it is exercised, by giving written notice of revocation to our Corporate Secretary or by duly executing and delivering a proxy bearing a later date, or by attending the Annual Meeting and casting a contrary vote. All shares represented by proxies received in time to be counted at the Annual Meeting will be voted. Your cooperation in giving this your immediate attention will be appreciated.

Appendix A: Audit Committee Charter

I. STATEMENT OF PURPOSE

The Audit Committee (the “Committee”) will assist the Board of Directors (the “Board”) of Travelzoo Inc. (the “Company”) in fulfilling the Board’s oversight responsibilities with regard to the Company’s financial reporting process. The duties of the Committee are ones of oversight. It is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and prepared in accordance with generally accepted accounting principles. The primary responsibility for the Company’s financial statements and internal controls rests with the Company’s management. Similarly, it is not the duty of the Committee to conduct investigations or to assure compliance with laws and regulations or to monitor the Company’s legal compliance programs. The primary responsibility for these matters also rests with the Company’s management. The Board recognizes that the Committee necessarily will rely on the advice and information it receives from the Company’s management and independent auditors. Recognizing these inherent limits on the scope of the Committee’s review, however, the Board expects the Committee to exercise independent judgment in assessing the quality of the Company’s financial reporting process and its internal controls. The Board also expects that the Committee will maintain free and open communication with the other directors, the Company’s independent auditors and the financial management of the Company.

II. COMPOSITION OF THE AUDIT COMMITTEE

The Committee shall be comprised of at least three members of the Board, with the number of members to be determined from time to time by the Board. The members shall be designated by the Board, and the composition of the Committee shall, in the judgment of the Board, be such as to comply with (i) Rule 4350(d)(2) of The NASDAQ Stock Market Rules, or the applicable rule governing audit committees of such other national market system or exchange on which the Company’s stock may be traded from time to time, (ii) Sections 301 and 407 of the Sarbanes-Oxley Act of 2002 and any rules or regulations promulgated thereunder (the “Act”), and (iii) any successor laws, rules or regulations.

III. MEETINGS

The Committee shall meet at least four times annually, or more frequently as the Committee may from time to time determine may be appropriate. At least quarterly, the Committee shall meet in separate executive sessions with the Company’s Chief Financial Officer, the independent auditors and the Controller. Unless the Board has previously designated the Chair, the members of the Committee shall designate a Chair by majority vote. Two or more committee members shall constitute a quorum.

At the invitation of the Chair of the Committee, the meetings will be attended by the Chair of the Board, Chief Executive Officer, Chief Financial Officer, Controller, representatives from the independent audit firm, and/or other persons as are appropriate to matters under consideration.

Receive the disclosures, as the same may be modified or supplemented, required by Section 204 of the Act, and discuss with the independent auditors any issues disclosed therein. Approve, in advance, the retention of the independent auditors for any non-audit service permissible under Sections 201 and 202 of the Act and the fee for such service. Consider any significant non-audit assignments awarded to the independent auditors and determine whether or not these have any impact on the independence of the independent auditors in the performance of the annual audit.

2. Annually evaluate the qualifications, the quality control procedures and prior performance of the Company’s current independent auditors, which shall be ultimately accountable to the Board and this Committee,
