**PROXY STATEMENT
FOR TRAVELZOO**

**2019 ANNUAL MEETING OF STOCKHOLDERS
INFORMATION ABOUT THE ANNUAL MEETING**

Why am I receiving these proxy materials?

Travelzoo's Board of Directors is soliciting proxies to be voted at the 2019 Annual Meeting of Stockholders. This proxy statement includes information about the issues to be voted upon at the meeting.

Only stockholders of record of our common stock, par value \$0.01 per share (the "Common Stock"), as of 5:00 p.m. Eastern Time on March 20, 2019 (the "record date") will be entitled to notice of, and to vote at, the Annual Meeting. As of the record date, there were 11,865,402 shares of our Common Stock issued and outstanding.

Where and when is the Annual Meeting?

The Annual Meeting of Stockholders will take place on May 14, 2019 at 800 W. El Camino Real, Suite 275, Mountain View, CA 94040, U.S.A. The meeting will begin at 10:00 a.m. local time.

What am I voting on?

Stockholders will vote on four items:

- A proposal to elect five members of the Company's Board, each to serve until the 2019 Annual Meeting of Stockholders and until their successors are elected and qualified or until their earlier resignation or removal ("Proposal 1");
- A proposal to approve option grants to Chief Technology Officer and Global Head of Brand ("Proposal 2");
- A proposal on an advisory basis to approve executive compensation ("Proposal 3"); and
- A proposal to approve amendment to the Company's certificate of incorporation to authorize a reduction of the authorized number of shares of our Common Stock from 40,000,000 to 20,000,000 shares ("Proposal 4"); and
- To transact such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

How does the Board recommend that you vote on the proposals?

The Board recommends that you vote your shares "FOR" Proposal 1, Proposal 2, Proposal 3 and Proposal 4.

How many votes do I have?

- Shares held directly in your name as the "stockholder of record" and
- Shares held for you as the beneficial owner through a broker, bank, or other nominee in "street name."

If I am a stockholder of record, how can I vote my shares?

Stockholders can vote by proxy or in person, however, granting a proxy does not in any way affect your right to attend the Annual Meeting and vote in person.

How do I vote by proxy?

If you are a stockholder of record, you may vote your proxy by mail. If you receive a paper copy of the proxy statement, simply mark the enclosed proxy card, date and sign it, and return it in the postage paid envelope provided. If you receive the proxy statement via e-mail, please print the attached proxy card, date and sign it, and return it via mail to Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, New York, NY 11717, U.S.A.

If you vote by proxy, the persons named on the card (your "proxies") will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for director or any other proposals properly brought before the Annual Meeting. If you sign your proxy card and do not indicate specific choices, your shares will be voted "FOR" the election of all nominees for director and "FOR" Proposal 2, Proposal 3 and Proposal 4. If any other matter is properly brought before the meeting, your proxies will vote in accordance with their discretion. At the time of submitting this proxy statement for printing, we knew of no matter that will be acted on at the Annual Meeting other than those discussed in this proxy statement.

If you wish to give a proxy to someone other than the persons named on the enclosed proxy card, you may strike out the names appearing on the card and write in the name of any other person, sign the proxy, and deliver it to the person whose name has been substituted.

May I revoke my proxy?

If you give a proxy, you may revoke it in any one of three ways:

- Submit a valid, later-dated proxy before the Annual Meeting,
- Notify our Corporate Secretary in writing at Travelzoo, Attention: Corporate Secretary, 590 Madison Avenue, 37th Floor, New York, NY 10022, CA 94040 before the Annual Meeting that you have revoked your proxy, or
- Vote in person at the Annual Meeting.

How do I vote in person?

If you are a stockholder of record, you may cast your vote in person at the Annual Meeting.

If I hold shares in street name, how can I vote my shares?

You can submit voting instructions to your broker or nominee. In most instances, you will be able to do this over the Internet or by mail. Please refer to the voting instruction card included in the materials provided by your broker or nominee.

What vote is required to approve each proposal?

Each share of our Common Stock is entitled to one vote with respect to each matter on which it is entitled to vote. Pursuant to our bylaws, our directors are elected by a plurality of the votes cast, which means that the nominees who receive the greatest number of votes will be elected. The affirmative vote of a majority of the shares of the Company's Common Stock present in person or represented by proxy and entitled to vote on the proposal will be considered as the approval of Proposal 2, the approval of Proposal 4 and, by an advisory vote, the approval of Proposal 3.

In order to have a valid stockholder vote, a stockholder quorum must exist at the Annual Meeting. A quorum will exist when stockholders holding a majority of the outstanding shares of Common Stock are present at the meeting, either in person or by proxy.

Azzurro Capital Inc., whose beneficial owner is Mr. Ralph Bartel, the Chairman of our Board, holds an aggregate of 5,945,000 shares of our Common Stock, representing approximately 50.1% the outstanding shares, as of March 20, 2019.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting as specified in such proxies. As noted above, if no voting instructions are indicated, proxies will be voted as recommended by our Board on all matters, and in the discretion of the proxy holder on any other matters that properly come before the Annual Meeting.

What is a broker non-vote and how are broker non-votes and abstentions counted?

A broker "non-vote" occurs when a nominee holding shares of Common Stock for the beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Brokers that have not received voting instructions from their clients cannot vote on their clients' behalf on "non-routine" proposals. The vote on Proposals 1, 2, 3 and 4 are considered "non-routine". Broker non-votes will not have any effect with respect to Proposals 1, 2, 3 and 4, as shares that constitute broker non-votes are not considered entitled to vote but will be counted for the purposes of obtaining a quorum for the Annual Meeting.

Abstentions are counted as "shares present" at the Annual Meeting for purposes of determining the presence of a quorum and with respect to any matters being voted upon at the Annual Meeting. Abstentions will have no effect on the outcome of the election of directors, but with respect to any other proposal an abstention will have the same effect as a vote against such proposal.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the Annual Meeting. We will publish the final results in a report on Form 8-K, which we intend to file within four business days following the Annual Meeting. You can obtain a copy of the Form 8-K by logging on to Travelzoo's investor relations website at www.travelzoo.com/ir, by calling the U.S. Securities and Exchange Commission ("SEC") at (800) SEC-0330 for the location of the nearest public reference room, or through the EDGAR system at www.sec.gov. Information on our website does not constitute part of this proxy statement.

PROPOSAL 1—ELECTION OF DIRECTORS

Under Travelzoo's bylaws, the number of directors of Travelzoo is fixed, and may be increased or decreased from time to time, by resolution of the Board of Directors. Each director holds office for a term of one year, until the annual meeting of stockholders next succeeding the director's election and until a successor is elected and qualified or until the earlier resignation or removal of the director. The following individuals have been nominated for election to our Board of Directors, each to serve until the 2020 Annual Meeting of Stockholders and until their successors are elected and qualified or until their earlier resignation or removal.

Following is information about each nominee, including biographical data for at least the last five years. Should one or more of these nominees become unavailable to accept nomination or election as a director, the individuals named as proxies on the enclosed proxy card will vote the shares that they represent for the election of such other persons as the Board may recommend, unless the Board reduces the number of directors. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

Required Vote

Our Certificate of Incorporation, as amended, does not authorize cumulative voting. Delaware law and our bylaws provide that directors are to be elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. This means that the five candidates receiving the highest number of affirmative votes at the Annual Meeting will be elected as directors. Only shares that are voted in favor of a particular nominee will be counted toward that nominee's achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular nominee or shares present by proxy where the stockholder properly withheld authority to vote for such nominee will not be counted toward that nominee's achievement of a plurality. Thus, abstentions and broker non-votes will have no effect on the election of directors. Proxies cannot be voted for a greater number of persons than the number of nominees named.

Board of Directors' Recommendation

The Board of Directors believes that each director nominee possesses the qualities and experience a member of Travelzoo's Board should possess. The Board of Directors seeks out, and the Board of Directors is comprised of, individuals whose background and experience complement those of other Board members.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE FIVE DIRECTOR NOMINEES NAMED ABOVE.

CORPORATE GOVERNANCE

Board Meetings and Committees

The Board of Directors has appointed an Audit Committee, a Compensation Committee, a Disclosure Committee and a Nominating and Corporate Governance Committee. Below is a table indicating the membership of each of the Audit Committee, Compensation Committee, and Disclosure Committee and how many times the Board of Directors and each such committee met in fiscal year 2018. Each board member attended at least 75 percent of the total number of meetings of the Board of Directors and of the committees on which he or she served.

Ms. Mary Reilly	Member	Chair	Chair	Chair	Chair
Ms. Beatrice Tarka	Member	Member	Member		Member
Number of 2018 Meetings	4	4	1	4	—

The Company does not require that directors attend the Annual Meeting.

Audit Committee

The Audit Committee is appointed by the Board to discharge the Board's responsibilities with respect to (i) the Company's accounting and financial reporting processes; (ii) audits of the financial statements of the Company; and (iii) the qualifications, independence and performance of the Company's independent auditors. A complete description of the Audit Committee's responsibilities is set forth in its written charter. A copy of the Amended and Restated Audit Committee Charter, which was adopted by the Board on March 22, 2019, can be found in Appendix A to this proxy statement. The Audit Committee is responsible for appointing the independent registered public accounting firm and is directly responsible for the compensation and oversight of the work of our independent registered public accounting firm. The Audit Committee is composed solely of independent directors as defined in the listing standards of the NASDAQ Stock Market, the SEC, the Sarbanes-Oxley Act of 2002 and any successor rules or regulations. The Board has determined that Ms. Mary Reilly qualifies as an audit committee financial expert within the meaning of SEC regulations.

Compensation Committee

The Compensation Committee is appointed by the Board to discharge the Board's responsibilities with respect to the evaluation, approval and administration of the Company's compensation and incentive plans, policies and programs for executive officers and directors of the Company. A complete description of the Compensation Committee's responsibilities is set forth in its written charter. A copy of the Compensation Committee Charter, which was adopted by the Board on March 22, 2019, can be found in Appendix B to this proxy statement.

Disclosure Committee

The Disclosure Committee's primary responsibilities are (i) to design, establish and evaluate controls and other procedures that are designed to ensure the accuracy and timely disclosure of information to the SEC and investment community and (ii) to review and supervise preparation of SEC filings, press releases and other broadly disseminated correspondence.

Nominating and Corporate Governance Committee

The Nominating Committee assists the Board in identifying qualified individuals to become directors, makes recommendations to the Board concerning the size, structure and composition of the Board and its committees, monitors the process to assess the Board's effectiveness and is primarily responsible for oversight of corporate governance. In evaluating potential nominees to the Board, the Nominating Committee considers, among other things, independence, character, ability to exercise sound judgment, age, demonstrated leadership, skills, including financial literacy, and experience in the context of the needs of the Board. The Nominating Committee considers candidates proposed by shareholders and evaluates them using the same criteria as for other candidates. The Nominating Committee recommended to the full Board each of the current nominees for election to the Board.

The Board's Role in Risk Oversight

The full Board oversees enterprise risk as part of its role in reviewing and overseeing the implementation of the Company's strategic plans and objectives. The risk oversight function is administered both in full Board discussions and in individual committees that are tasked by the Board with oversight of specific risks. On a regular basis, the Board and its committees receive information and reports from management on the status of the Company and the risks associated with the Company's strategy and business plans. In addition, the Audit Committee reviews the Company's risk assessment and risk management policies and procedures at least annually, including steps taken to monitor and control such exposures. The Board believes the continuity of Board membership and the independent directors constituting a majority of the Board encourage open discussion and assessment of the Company's ability to manage its risks.

Code of Ethics

We have adopted a Code of Ethics that applies to our executive officers, including our Global Chief Executive Officer, our Chief Financial Officer, our Principal Accounting Officer, and our Chief Technology Officer. This Code of Ethics is posted on our website located at corporate.travelzoo.com/governance. A copy of the Code of Ethics is also available in print to stockholders and interested parties without charge upon written request delivered to our Corporate Secretary at Travelzoo, 590 Madison Avenue, 37th Floor, New York, NY 10022.

Communications with Directors

The Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the board, or the non-management directors as a group, any Board committee or any chair of any such committee by mail. To communicate with the Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent "c/o Corporate Secretary" at Travelzoo, 590 Madison Avenue, 37th Floor, New York, NY 10022.

All communications received as set forth in the preceding paragraph will be opened by the Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board of Directors will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the correspondence is addressed.

Certain Relationships and Related Party Transactions

The Company maintains policies and procedures to ensure that our directors, executive officers and employees avoid conflicts of interest. Our executive officers, including our Global Chief Executive Officer, Chief Financial Officer, Principal Accounting Officer, and Chief Technology Officer are subject to our Code of Ethics and each signs the policy to ensure compliance. Our Code of Ethics requires our leadership to act with honesty and integrity, and to fully disclose to the Audit Committee any material transaction that reasonably could be expected to give rise to an actual or apparent conflict of interest. The Code of Ethics requires that our leadership obtain the prior written approval of the Audit Committee before proceeding with or engaging in any conflict of interest. Moreover, employees are required to read and comply with our Guide to Business Conduct, which is a communication to all employees that ensures they are aware of their responsibility to avoid any conflicts of interest or potential conflicts of interest and to make appropriate disclosures to their manager or other personnel.

Our General Counsel and/or Chief Financial Officer and/or Principal Accounting Officer review(s) all material related party transactions. When a potential related party transaction is identified, the General Counsel and/or the Chief Financial Officer and/or Principal Accounting Officer will evaluate the transaction and determine whether the transaction requires the review and approval by the Audit Committee or a special committee of the Board consisting of independent directors ("Special Committee"). The Audit Committee charter states that the Audit Committee has the duty and responsibility to review and approve in advance, to the extent possible, any proposed related party transactions and potential conflict of interest situations involving a director or director nominee of the Company, an executive officer of the Company, any person or entity known by the Company to be a beneficial owner of more than 5% of the Company's Common Stock, or any person known by the Company to be an immediate family member of any of the foregoing; provided, that the Audit Committee shall have the authority to ratify certain related party transactions if approval of such transactions in advance is not practicable or possible, in the sole discretion of the Committee. A copy of the written charter can be found in Appendix A to this proxy statement. Upon submission to the Audit Committee or a Special Committee, such committee will consider relevant facts and circumstances surrounding each related party transaction and any matters the committee deems appropriate. If the Audit Committee or a Special Committee determines that any such related party transaction creates a conflict of interest situation or would require disclosure under Item 404 of Regulation S-K, as promulgated by the SEC, the transaction must be approved by the committee prior to the Company entering into such transaction or ratified thereafter. Transactions or relationships previously approved by the Audit Committee or a Special Committee in existence prior to the formation of the committee do not require approval or ratification.

Ralph Bartel, who founded Travelzoo and who is a director of the Company, is the sole beneficiary of the Ralph Bartel 2005 Trust, which is the controlling shareholder of Azzurro Capital Inc. ("Azzurro"). As of March 20, 2019, Azzurro is the Company's largest stockholder, holding approximately 50.1% of the Company's outstanding shares.

Board of Directors' Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THIS PROPOSAL RELATING TO THE OPTION AGREEMENTS.

PROPOSAL 3—ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

Section 14A of the Exchange Act requires that we include in this proxy statement a non-binding stockholder vote on our executive compensation as described herein (commonly referred to as "Say-on-Pay").

We encourage stockholders to review the section entitled "Executive Compensation" included in this proxy statement. Our executive compensation program has been designed to pay for performance and align our executive compensation with business strategies focused on long-term growth and creating value for stockholders while also paying competitively and focusing on the total compensation perspective. We feel this design is evidenced by the following:

- Our goal is to attract, motivate and retain key executives and to reward executives for value creation.
- We provide a portion of our total compensation in the form of performance-based compensation; for example, approximately 0% to 13% of our named executive officers' total compensation for 2018 was in the form of performance-based compensation based on the achievement of quarterly corporate financial measures such as revenue, operating income and audience marketing.
- This is not a mechanical process, and our Board of Directors uses its judgment and experience and works with our Compensation Committee to determine the appropriate mix of compensation for each individual.

The Board of Directors strongly endorses the Company's executive compensation program and unanimously recommends that stockholders vote in favor of the following resolution:

RESOLVED, that the stockholders approve the compensation of our named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis and the other tabular and narrative disclosure in the Company's proxy statement for its 2019 Annual Meeting of Stockholders.

Required Vote

Because the vote is advisory, it will not be binding upon the Board of Directors or the Compensation Committee and neither the Board of Directors nor the Compensation Committee will be required to take any action as a result of the outcome of the vote on this proposal. The Compensation Committee will consider the outcome of the vote when considering future executive compensation arrangements. The affirmative vote of the majority of the shares of the Company's Common Stock present in person or represented by proxy and entitled to vote on the proposal will be considered as the approval, by an advisory vote, of the compensation of our named executive officers.

Board of Directors' Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE ADVISORY RESOLUTION RELATING TO THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL 4 - APPROVAL OF AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO AUTHORIZE A REDUCTION OF THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK FROM 40,000,000 TO 20,000,000 SHARES

Overview

The Company's Certificate of Incorporation, as amended, currently provides that 40,000,000 shares of Common Stock are authorized for issuance. The Board has unanimously approved and recommends to our stockholders for approval, an amendment to our Certificate of Incorporation, as amended, to decrease the authorized number of shares of Common Stock. The proposed amendment would reduce the authorized Common Stock to 20,000,000 shares. There would be no change in the rights attributable to the authorized shares of Common Stock. The proposed amendment will not affect the par value of the Common Stock, which will remain at \$0.01 per share. The reduction in the number of shares of authorized Common Stock would not have any impact on the authorized preferred stock (the "Preferred Stock"), the total number of authorized shares of which would remain at 5,000,000 in any event.

The Board reserves the right to elect not to proceed with this proposed amendment to our Certificate of Incorporation if, at any time prior to its filing, the Board, in its sole discretion, determines that it is no longer in the Company's best interests or the best interests of the stockholders to decrease our authorized number of shares of Common Stock.

The proposed amendment to our Certificate of Incorporation to decrease the number of authorized shares of Common Stock is substantially in the form set forth in Appendix C to this proxy statement. The following discussion is qualified in its entirety by the full text of the proposed amendment, which is incorporated herein by reference.

Reasons for Decrease in Authorized Shares of Common Stock

Our Board has determined that the proposed decrease in the authorized number of shares of our Common Stock is in the Company's and the stockholders' best interests because the Company believes it will reduce Company expenses. The Company believes that 20,000,000 shares of common stock, plus the 5,000,000 shares of Preferred Stock that is currently authorized, are sufficient to meet its needs for employee equity incentives, the maintenance of appropriate reserves or other corporate purposes as may be deemed by the Board of Directors to be in the best interest of the Company and its stockholders from time to time.

Additionally, the proposed reduction in our authorized Common Stock may enable us to reduce the amount of the Company's annual franchise tax in the State of Delaware. Each year, we are required to make franchise tax payments to the State of Delaware in an amount determined, in part, by the total number of shares of stock we are authorized to issue. Accordingly, by reducing the number of authorized shares of Common Stock, we may be able to reduce the amount of the franchise tax for which we will be liable.

Certain Risks and Potential Disadvantages Associated with the Decrease in Authorized Common Stock

The proposed decrease in the authorized number of shares of our Common Stock could have an adverse effect on us because the Board will have less ability to issue shares of Common Stock in connection with a potential merger or acquisition, or capital raising transaction. Authorized but unissued shares of our Common Stock (and Preferred Stock) are available for future issuance as may be determined by our Board without further action by our stockholders, unless stockholder approval is required by applicable law or securities exchange listing requirements in connection with a particular transaction. These additional shares may be issued in the future for a variety of corporate purposes including, but not limited to, raising additional capital, corporate acquisitions and equity incentive plans. Future issuances of shares of Common Stock (or Preferred Stock) could have the effect of making it more difficult for a third party to acquire control of our Company. In addition, the issuance of additional shares, or the perception that additional shares may be issued could also adversely affect the market price of our Common Stock.

Effective Time of Decrease in Authorized Shares of Common Stock

Following stockholder approval of this Proposal 4, the decrease in authorized shares of Common Stock would become effective upon the filing of a certificate of amendment to our Certificate of Incorporation with the Secretary of State of the State of Delaware, or such later effective time as is specified in such certificate of amendment as permitted under Delaware law. The exact timing of the amendment will be determined by our Board based on its evaluation as to when such action will be the most advantageous to us and our stockholders. Our Board reserves the right, notwithstanding stockholder approval and without further action by the stockholders, to elect not to proceed with the amendment to decrease the authorized number of shares if, at any time prior to filing the amendment to our Certificate of Incorporation, our Board, in its sole discretion, determines that it is no longer in our best interests or the best interests of our stockholders to decrease the authorized number of shares of Common Stock.

If the amendment is filed, at the effective time of the amendment, shares of our Common Stock authorized for issuance will be decreased to 20,000,000 shares. There will be no change to the number of shares of authorized Preferred Stock.

Board of Directors' Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO DECREASE THE AUTHORIZED NUMBER OF SHARES OF OUR COMMON STOCK FROM 40,000,000 TO 20,000,000 SHARES.

EXECUTIVE COMPENSATION

We hold annual votes on executive compensation, in accordance with shareholder recommendations made at the 2018 Annual Meeting. In light of last year's shareholder approval of the compensation for executives, there were no significant changes in executive compensation.

Overview of Compensation Program

The following Executive Compensation describes our overall compensation philosophy and the primary components of our compensation program. Furthermore, the Executive Compensation explains the process by which the Compensation Committee, or "Committee", determined the 2018 compensation for our Global Chief Executive Officer, Chief Financial Officer and other most highly compensated officers. We refer to these individuals collectively as the "named executives" or the "named executive officers."

Compensation Philosophy and Objectives

The fundamental objectives of our executive compensation program are to attract and retain highly qualified executive officers, motivate these executive officers to materially contribute to our long-term business success, and align the interests of our executive officers and stockholders by rewarding our executives for individual and corporate performance based on targets established by the Committee.

We believe that achievement of these compensation program objectives enhances long-term profitability and stockholder value. The elements utilized to help achieve the Committee's objectives include the following:

- *Accountability for Individual Performance.* Compensation should in large part depend on the named executive's individual performance in order to motivate and acknowledge the key contributors to our success.
- *Recognition for Business Performance.* Compensation should take into consideration our overall financial performance and overall growth.
- *Attracting and Retaining Talented Executives.* Compensation should generally reflect the competitive marketplace and be designed to attract and retain superior employees in key competitive positions.

We implement our compensation philosophy through setting base salaries for our executive officers, through the use of our executive bonus plan and through reviewing and approving other terms of employment agreements.

Compensation Determination Process

Compensation Committee Members. The Committee is responsible for establishing, overseeing and reviewing executive compensation policies and for approving, validating and benchmarking the compensation and benefits for named executive officers. The Committee is also responsible for determining the fees paid to our outside directors. The Committee included Ms. Mary Reilly and Ms. Beatrice Tarka. Ms. Reilly and Ms. Tarka satisfied the independence requirements of the NASDAQ.

Role of Management. During 2018, the Committee engaged in its annual review of executive compensation with the goal of ensuring the appropriate combination of fixed and variable compensation linked to individual and corporate performance. In the course of its review, the Committee considered the advice and input of the Company's Global Chief Executive Officer (CEO) and data prepared by management, including a comparison of the current compensation of the named executive officers with publicly available information. The data utilized by the Committee included salary and total compensation information based on the title, job description, and geographic location of similarly situated executives. The most significant aspects of the Global CEO's role in the compensation determination process are evaluating employee performance, establishing business performance targets, goals and objectives and recommending salary and bonus levels. The Global CEO does not participate in discussions regarding his compensation.

The Committee compared the compensation received by the Company's named executive officers with the levels of compensation received by similarly situated executives in the same geographic location in light of the named executives' responsibilities, performance, experience and tenure, in order to arrive at the total compensation package for each of the named executive officers. In some cases, the compensation package that the Committee awarded a named executive officer was at or below the median compensation received by executives compared to third-party data, while in other instances the compensation was higher due to the executive's responsibilities, performance, experience and tenure.

The Committee did not engage an outside consulting firm to provide advice on executive compensation.

Components of Executive Compensation

The Committee has structured an executive compensation program comprised of base salary, cash bonus, equity and non-equity incentive pay.

Base Salary

The Committee considered two types of potential base salary increases for the named executive officers in 2018: (1) "merit increases" based upon each named executive's individual performance; and/or (2) "market adjustments" based upon the salary range for similarly situated executives.

In determining merit increases, the Committee considers the specific responsibilities of the executive and the executive's overall performance and tenure with the Company. In addition, the Committee also considers the CEO's evaluation of each named executive officer in making the decision regarding merit increases.

The Committee determines any market adjustments based on the Committee's comparison of the executive's compensation with statistical information on average compensation for similarly situated executives that is publicly available.

The Committee established a base salary for Mr. Michael Peterson as shown in on the Summary Compensation Table based upon his duties and responsibilities as Chief Technology Officer and did not make any other change to base salaries of its other named executive officers in 2018.

Incentive Bonus Pay

Pursuant to the terms of Ms. Su's employment agreement dated February 16, 2011, effective May 2, 2011, Ms. Su is eligible to receive a quarterly performance bonus for each quarter during 2018.

The quarterly performance bonus is calculated based upon North America Local revenue and operating income for the first and second quarters of 2018 and on worldwide revenue and operating income and audience targets for the third and fourth quarter of 2018. Mr. Peterson received a discretionary bonus determined by the Global Chief Executive Officer at his sole and absolute discretion. In exercising such discretion, the Global Chief Executive Officer takes into consideration Mr. Peterson's individual performance. Mr. Peterson received a discretionary bonus totaling \$27,474 for 2018.

Pursuant to the terms of Mr. Ceremony's employment agreement dated May 9, 2011, effective June 15, 2011 and as amended March 9, 2017, Mr. Ceremony is eligible to receive a quarterly performance bonus for each quarter during 2018.

The quarterly performance bonus is calculated based upon worldwide revenue, operating income and audience targets. The revenue bonus is calculated based upon achievement of the target resulting in a potential and maximum bonus of \$16,667. The operating income bonus is calculated based upon achievement of the target resulting in a potential and maximum bonus of \$16,667. The audience bonus is calculated based upon achievement of certain audience targets resulting in a potential and maximum bonus of \$16,666. The total maximum performance bonus per quarter for the revenue, operating income and audience components combined is \$50,000.

Mr. Ceremony earned a quarterly bonus for revenue and operating income for the first quarter of 2018. Mr. Ceremony received performance bonuses totaling \$33,334 during 2018. For 2018, Mr. Ceremony received 17% of the maximum performance bonus. The Company believes that targets set for worldwide revenue, operating income and audience targets align with the Company's desire to continue to grow the business.

Mr. Ceremony also received a discretionary bonus determined by the Global Chief Executive Officer at his sole and absolute discretion. In exercising such discretion, the Global Chief Executive Officer takes into consideration Mr. Ceremony's individual performance. In evaluating Mr. Ceremony's individual performance during 2018, the Global Chief Executive Officer considered factors such as Mr. Ceremony's leadership role in areas of corporate governance and business ethics, and financial management. Mr. Ceremony received a discretionary bonus totaling \$33,335 for 2018.

Pursuant to the terms of Ms. Barnett's employment agreement dated July 30, 2013, as amended May 22, 2017, Ms. Barnett did not qualify for discretionary bonus in 2018.

Other Compensation-Related Matters

The Company grants stock options (which represent the right to purchase a specific number of shares of company Common Stock at a predetermined price, subject to vesting conditions) to certain executive staff, to align their incentives with the long-term interests of our stockholders, retain them for the long term, reward them for potential long-term contributions, and provide a total compensation opportunity commensurate with our performance.

In May 2018, the Company granted Ms. Sharry Sun stock options to purchase 50,000 shares of Common Stock with an exercise price of \$14.70, which vests in four equal annual installments over a four-year period ending May 14, 2022, subject to stockholder approval. The Compensation Committee and Board of Directors considered Ms. Sun's duties and responsibilities as Global Head of Brand.

In June 2018, the Company granted Mr. Michael Peterson stock options to purchase 50,000 shares of Common Stock with an exercise price of \$16.65, which vests in four equal annual installments over a four-year period ending June 22, 2022, subject to stockholder approval. The Compensation Committee and Board of Directors considered Mr. Peterson's duties and responsibilities as Chief Technology Officer.

Perquisites and Additional Benefits. The Company seeks to maintain an open and inclusive culture in its facilities and operations among executives and other Company employees. Accordingly, the Company does not provide executives with reserved parking spaces or separate dining or other facilities, nor does the Company have programs for providing personal-benefit perquisites to executives, such as club dues or defraying the cost of personal entertainment. Named executive officers and employees may seek reimbursement for business related expenses in accordance with our business expense reimbursement policy.

Employment Agreements. The Company has entered into employment agreements with the certain executive staff, some of which contain severance and change of control provisions. The terms of such employment agreements are described in more detail below in *Employment Agreements and Potential Payments Upon Termination or Change-in-Control*. The Committee believes these agreements are appropriate for a number of reasons, including the following:

- the agreements assist in attracting and retaining executives as we compete for talented employees in a marketplace where such agreements are commonly offered;
- the change in control provisions require terminated executives to execute a release in order to receive severance benefits; and
- the change in control and severance provisions help retain key personnel during rumored or actual acquisitions or similar corporate changes.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

Independent Public Accountants

PricewaterhouseCoopers LLP ("PwC") served as Travelzoo's independent registered public accounting firm for our 2018 and 2017 fiscal years. The Audit Committee has not yet selected our independent registered public accounting firm for our 2019 fiscal year. The Audit Committee annually reviews the performance of our independent registered public accounting firm and the fees charged for their services. This review has not yet been completed. Based upon the results of this review, the Audit Committee will determine which independent registered public accounting firm to engage to perform our annual audit. Stockholder approval of our accounting firm is not required by our bylaws or otherwise required to be submitted to the stockholders. PwC representatives are expected to be present at the Annual Meeting and will be available to respond to questions at the meeting; however, they are not expected to make a formal statement.

Principal Accountant Fees and Services

The audit fees charged by PwC for 2018 and the audit fees for 2017 charged by PwC and KPMG LLP ("KPMG") for services rendered to Travelzoo are as follows:

Service	2018 Fees	2017 Fees
Audit fees (1)	\$ 1,190,600	\$ 1,201,674
Audit-related fees	—	—
Tax fees	—	—
All other fees	2,700	1,800
Total	\$ 1,193,300	\$ 1,203,474

- (1) Audit fees consisted of fees for professional services rendered for the annual audit of Company's consolidated financial statements and review of the interim consolidated financial statements included in the quarterly reports and audit services rendered in connection with other statutory or regulatory filings. The 2017 audit fees include KPMG fees of \$131,524.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee pre-approves all audit and permissible non-audit services provided by the Company's independent registered public accounting firm. These services may include audit services, audit-related services, tax and other services. Pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. During 2018 and 2017, all services provided by PwC and KPMG were pre-approved by the Audit Committee in accordance with this policy.

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be "soliciting material" or "filed" with the SEC or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent that Travelzoo specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act.

The Audit Committee oversees Travelzoo's financial reporting process on behalf of the Board of Directors. Management is primarily responsible for the financial statements and reporting processes including the systems of internal controls, while the independent auditors are responsible for performing an independent audit of Travelzoo's consolidated financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board ("PCAOB"), and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

In this context, the committee has met and held discussions with management and the independent auditors regarding the Company's audited consolidated financial statements for the fiscal year ended December 31, 2018. The committee discussed with Travelzoo's independent auditors the overall scope and plan for their audit. The committee met, at least quarterly, with the independent auditors, with and without management present, and discussed the results of their examinations, their evaluations of Travelzoo's internal controls, and the overall quality of Travelzoo's financial reporting. Management represented to the committee that Travelzoo's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The committee has reviewed and discussed the consolidated financial statements with management and the independent auditors, including their judgments as to the quality, not just the acceptability, of Travelzoo's accounting principles and such other matters as are required to be discussed with the committee under auditing standards of the PCAOB.

Travelzoo's independent auditors also provided to the committee the written disclosures required by applicable requirements of the PCAOB regarding the independent accountant's communications with the audit committee concerning independence, and the committee discussed with the independent auditors that firm's independence, including those matters required to be discussed by PCAOB Auditing Standard No. 16 *Communications with Audit Committees*.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board of Directors (and the Board of Directors has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2018 filed with the SEC. The committee has not yet selected Travelzoo's independent auditors for fiscal year 2019.

While the committee has the responsibilities and powers set forth in its charter, it is not the duty of the committee to plan or conduct audits or to determine that Travelzoo's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditors. Nor is it the duty of the committee to conduct investigations or to assure compliance with laws and regulations or Travelzoo's business conduct policies.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No director, executive officer, nominee for election as a director or associate of any director, executive officer or nominee has any substantial interest, direct or indirect, by security holdings or otherwise, in the proposed matters to be acted upon, other than director elections and executive compensation, which is not shared by all other stockholders.

OTHER BUSINESS

The Board of Directors does not presently intend to bring any other business before the meeting, and, so far as is known to the Board of Directors, no matters are to be brought before the meeting except as specified in the Notice of Annual Meeting of Stockholders. As to any business that may properly come before the meeting, however, it is intended that proxies, in the form enclosed, will be voted in respect thereof in accordance with the judgment of the persons voting such proxies.

STOCKHOLDER PROPOSALS FOR THE 2020 ANNUAL MEETING

It is contemplated that the next annual meeting of stockholders will be held on or about May 15, 2020. Stockholders may submit proposals on matters appropriate for stockholder action at annual meetings in accordance with the rules and regulations adopted by the SEC. For a stockholder proposal to be included in the Company's proxy statement and identified in its form of proxy in connection with the Company's annual meeting of stockholders, it must be received by the Company at least 120 calendar days prior to the one-year anniversary of the date that the Company's proxy statement was released to the stockholders in connection with the previous year's annual meeting. As a result, stockholder proposals submitted for consideration at the 2020 annual meeting must be received no later than November 29, 2019, to be included in the 2020 proxy materials. Rule 14a-8 of the Exchange Act provides additional information regarding the content and the procedures applicable to the submission of stockholder proposals to be included in the Company's proxy materials for its next Annual Meeting.

If a stockholder wishes to present a proposal at Travelzoo's 2020 Annual Meeting or to nominate one or more directors and the proposal is not intended to be included in Travelzoo's proxy statement relating to that meeting, the stockholder shall give advance written notice to Travelzoo no earlier than November 29, 2019 and not later than February 18, 2020. These requirements are separate from and in addition to the requirements a stockholder must meet to have a proposal included in our proxy statement.

Any such notice must be delivered or mailed to our Corporate Secretary, at Travelzoo, 590 Madison Avenue, 37th Floor, New York, NY 10022.

HOUSEHOLDING

We have adopted a procedure approved by the SEC called "householding." Under this procedure, a householding notice will be sent to stockholders who have the same address and last name and do not participate in electronic delivery of proxy materials, and they will receive only one copy of our annual report and proxy statement unless one or more of these stockholders notifies us that they wish to not participate in householding and continue receiving individual copies. This procedure reduces our printing costs and postage fees. Each stockholder who participates in householding will continue to receive a separate proxy card.

The Company will promptly deliver, upon oral or written request, a separate copy of the proxy statement and annual report to any stockholder participating in householding. Stockholders who share an address with other stockholders and are eligible for householding, but currently receive multiple copies of our annual reports and proxy statements, or who have multiple accounts in their names, can authorize us to discontinue mailings of multiple annual reports and proxy statements. Requests for additional copies, or requests for a single copy to be delivered to a shared address should be directed to Investor Relations, Travelzoo, 590 Madison Avenue, 37th Floor, New York, New York 10022 or by telephone at (212) 484-4900.

**AMENDED AND RESTATED
AUDIT COMMITTEE CHARTER
TRAVELZOO**

I. STATEMENT OF PURPOSE

The Audit Committee (the “Committee”) is appointed by the board of directors (the “Board”) of Travelzoo (the “Company”) to discharge the Board’s responsibilities with respect to the Company’s accounting and financial reporting processes, audits of the financial statements of the Company and the qualifications, independence and performance of the Company’s independent auditors.

The duties of the Committee in connection with each of these responsibilities are ones of oversight. It is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and prepared in accordance with generally accepted accounting principles and applicable rules and regulations. The primary responsibility for the Company’s financial statements and internal controls rests with the Company’s management and independent auditors. Similarly, it is not the duty of the Committee to conduct investigations or to assure compliance with laws and regulations or to monitor the Company’s legal compliance programs. The primary responsibility for these matters also rests with the Company’s management, outside and internal legal counsel and independent auditors.

The Board recognizes that the Committee necessarily will rely on the advice and information it receives from the Company’s management and independent auditors. Recognizing these inherent limits on the scope of the Committee’s review, however, the Board expects the Committee to exercise independent judgment in assessing the quality of the Company’s accounting and financial reporting processes and its internal controls. The Board also expects that the Committee will maintain free and open communication with the other directors, the Company’s independent auditors and the Chief Financial Officer (“CFO”) of the Company.

II. COMPOSITION OF THE COMMITTEE

The Committee shall be comprised of at least three members of the Board, with the number of members to be determined from time to time by the Board. Such members shall be designated by and serve at the discretion of the Board. Each Committee member shall serve on the Committee during his or her respective term as a Board member, until his or her successor is duly elected and qualified or his or her earlier resignation or removal. The Board may replace any member of the Committee. Unless the Board has previously designated the Chair, the members of the Committee shall designate a Chair by majority vote.

The composition of the Committee shall, in the judgment of the Board, be such as to comply with: (i) applicable rules of the NASDAQ Stock Market, or the applicable rules governing audit committees of such other national market system or exchange on which the Company’s stock may be traded from time to time, (ii) U.S. Securities and Exchange Commission (“SEC”) independence requirements for audit committee members as set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended; (iii) Sections 301 and 407 of the Sarbanes-Oxley Act of 2002 and any rules or regulations promulgated thereunder (the “Act”); and (iv) any successor laws, rules or regulations. Each member of the Committee shall comply with all financial literacy requirements of the NASDAQ Stock Market and at least one member will qualify as an “audit committee financial expert” as defined by the SEC and determined by the Board.

III. MEETINGS

The Committee shall meet at least four times annually, or more frequently as the Committee may from time to time determine may be appropriate. The Committee shall schedule, and hold if necessary, private executive sessions with the Company’s CFO, the Company’s Principal Accounting Officer (if separate from the CFO), the Company’s independent auditors and any other executive officers the Committee may deem appropriate. The Chair of the Board, any member of the Committee, or the Secretary of the Company may call meetings of the Committee. The Chair of the Committee, in consultation with the Committee members, members of management and the Company’s independent advisors, will determine the frequency and length of Committee meetings and develop the Committee’s agenda. Two or more Committee members shall constitute a quorum. Meetings may be held via teleconference or videoconference, and the Committee may also act by

unanimous written consent in lieu of a meeting in accordance with the Company's bylaws. The Committee will maintain written minutes of its meetings, which minutes shall be filed with the minutes of the meetings of the Board.

IV. DUTIES AND RESPONSIBILITIES

The duties and responsibilities of the Committee shall include, but not be limited to, the following:

A. Independent Auditors

1. Ensure the Company's independent auditors submit to the Committee on an annual basis a written statement consistent with Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as the same may be modified or supplemented, and actively discuss with the independent auditors any issues required to be discussed regarding their objectivity and independence. Ensure the Company's independent auditors submit to the Committee the disclosures required by Section 204 of the Act, as the same may be modified or supplemented, and actively discuss with the independent auditors any issues disclosed therein. Approve, in advance, the retention of the independent auditors for any non-audit service permissible under Sections 201 and 202 of the Act and the fee for such service. Consider any significant non-audit assignments awarded to the independent auditors and determine whether or not these have any impact on the independence of the independent auditors in the performance of the annual audit.

2. Appoint, compensate, retain and oversee the work of the independent auditors (including resolving disagreements between management and the independent auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. Annually evaluate the qualifications, the quality control procedures and prior performance of the Company's current independent auditors, which shall be ultimately accountable to the Board and this Committee, as representatives of the shareholders of the Company. Based on the representations regarding independence and the results of such evaluation, determine whether the independent auditors be reappointed or replaced and whether it is appropriate to adopt a policy of rotating on a regular basis; provided that the independent auditors must be replaced if the lead audit partner, or the audit partner responsible for reviewing the audit, has performed audit services for the Company in each of the five (5) previous fiscal years.

3. Meet with the independent auditors and the CFO of the Company in advance of the annual audit to review its proposed scope, the proposed scope of the quarterly reviews, and the procedures to be followed in conducting the audit and the reviews.

4. Review and approve the independent auditors' annual engagement letter and the compensation of the independent auditors.
